### High Air Flow

Enhanced high airflow & fume suction with new fan blower. 3 speed levels & boost mode.

### Fan Durability & Cleanliness

Super Kirei Coating eliminates the accumulation of oil and stain build-up on the fan surface, maintaining the fan clean for longer time.

### Auto Fan Clean

Fan automatically switches to boost operation on the last 5 sec of timer function and blows off oil stains by centrifugal force.

### Easy Cleaning

Fan guard & external body coated with Oil Repellent Coating can be easily wiped off.

**Oil Capturing Ratio up to 94%**

Captures more oil & requires less cleaning.

**Easy Wiping**

The smooth exterior surface coated with Oil Repellent Coating can be easily wiped off.

**Easy Cleaning**

Just one touch to detach and open. Hydrophilic Coating on spinning disk and tray can be easily washed with just water.

**Patented Oil Smasher Technology**

High-speed spinning disk keeps oil out from fan & motor. Centrifugal force push the oil caught by the disk into the oil tray.
