MULTIFUNCTIONAL STEAM & MICROWAVE OVEN **FV-AL81**

1
YEAR

OVEN
LIMITED WARRANTY*

Your All-in-One Oven for Every Meal.

パワフルな蒸気を作る、驚きの一皿。

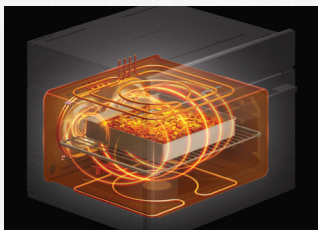

Step into a new era of cooking with the FV-AL81 All-in-One Multifunctional Steam & Microwave Oven. Whether you're preparing everyday meals or experimenting with new recipes, its high-powered performance ensures satisfying results with minimal effort.

The spacious 46L oven combines steam and microwave technology to deliver fast, even heating while preserving the natural flavours and textures of your ingredients. Cleaning up is a breeze with its Blue Ceramic Coating, which prevents stubborn stains and grease from sticking, while the integrated Steam Clean function effortlessly loosens food particles for a simple wipe-down.

Thoughtfully designed for versatility and convenience, the FV-AL81 brings together multiple functions in one sleek appliance—perfect for any modern kitchen. Where powerful performance meets easy maintenance, this is your all-in-one companion for everyday cooking.

ADVANCED FUNCTIONS

01/ All-in-One Essential Cooking Functions

Enhances thermal efficiency for even cooking

02/ Dual Convection Fans

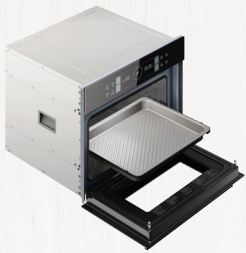

Separate settings for top and bottom heating elements for precise cooking control

03/ Dual Temperature Control

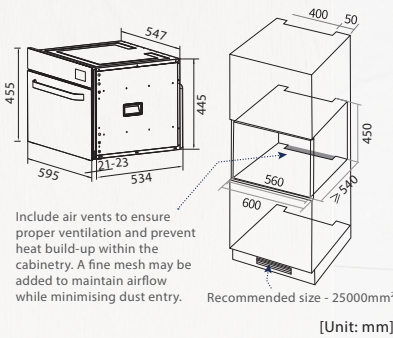

Air fry and steam fry options for healthier cooking without oil
