

GAS HOB/ FH-GS68

*One piece Mini Pan Support is included with each model.

Power Meets Precision!

自在な火力、パワフルな一台。

Bid farewell to unstable flames and tricky heat control. The **FH-GS68** is made for confident everyday cooking - with high-power fire when you need speed, and sectional flame control that lets you shift to a gentler inner flame for steady simmering and delicate dishes.

Sleek yet practical, its matte black tempered glass comes with an oil-repellent coating to help keep cleanup simple.

Thoughtful touches like the mini pan support keep smaller cookware stable, while built-in safety features provide extra peace of mind - so your kitchen feels smoother, safer, and more effortless with **FH-GS68**.

ADVANCED FUNCTIONS

01/ Flexible Replacement

Designed to accommodate a broad range of existing market cut-out sizes for easier replacement

02/ Mini Pan Support

Provides stable and secure support for safe cooking with small-sized cookware

03/ Matte Glass Surface

Resists fingerprints to help keep the surface clean and pristine
*(Only for FGBK)
